He also explained he is currently completing the SIP Grant application and if accepted the campus will receive additional fund in December 2021. Mr. Kimble is also still waiting on the district to send out more information regarding ESSER funding and how much Codwell will be allocated for HB4545.

Questions/Comments:

Will ESSER funding allow Codwell to have afterschool programs for scholars.

Action Steps:

- Continue to increase scholar attendance by providing incentives and conducting home visits.
- Increase small group instructional practices and interventions to increase student outcomes.
- Start afterschool tutorials once ESSER funds are allocated.
- Look into afterschool programs for scholars
- Complete the SIP Grant Process before December to receive additional funds.
