SCHOOL-PARENT COMPACT 2013-2014

The educational programs at Jane Long Academy are designed to develop each student’s full potential for academic growth, emotional well-being, health and physical wellness. We recognize that the whole team—students, parents, teachers and administrators—must work together as partners to help each student be successful. Therefore,

STUDENTS AGREE TO:

- Abide by the Code of Student Conduct (school rules)
- Treat other students, teachers, and staff with respect
- Attend school daily
- Arrive to each class on time
- Abide by the Jane Long Academy Dress Code
- Complete homework assignments daily
- Come prepared to learn in each class by having all necessary materials (i.e. agenda, pencils, paper, assignments, etc.)
- Attend After School or Saturday Tutorials if necessary (After school: 3:15-4:15pm; Saturday: 9:00am -12:00pm)
- Communicate with teachers, administrators, or school staff if they need help

PARENTS AGREE TO:

- Communicate with Teachers and Administrators regarding their student’s needs
- Help their student to be responsible and encourage their student to do his/her very best at school
- Make sure that their student is completing homework daily
- Encourage positive use of extracurricular time and encourage participation in campus activities
- Attend parent-teacher conferences and read and discuss report cards with their student
- Learn about promotion standards requirements (grades, STAAR, etc.)
- Provide their student with a quiet place to complete homework and class projects
- Consider volunteer opportunities for Jane Long Academy or joining the PTO by contacting Deanna Alcala at (713)778-3380 or dalcala@houstonisd.org
- Request classroom observations by contacting the main office and teacher 48 hours ahead of time

TEACHERS/ADMINISTRATORS AGREE TO:

- Provide a positive environment that allows for positive communication between students, teachers, parents, and administrators
- Provide students with homework assignments that are rigorous and prepare them for high school, college, and beyond
- Upload lesson plans weekly to School Wires website to facilitate home study
- Provide programs and activities designed to increase family involvement and student success
- Ensure that all teachers are highly qualified to teach in their subject area
- Provide students and parents with student academic and behavioral progress
- Provide students with a safe school environment for learning
