Math - more than half students performing at or above benchmark.</p> <p>2nd grade reading – Same situation as 1st grade, students in special populations receiving services. 2nd grade Math – Attempting to bridge the gap between 2nd and 3rd grade in preparation for STAAR. More than half are at or above grade level.</p> <p>STAAR 3-5 Achievement Data – 91% 3rd graders approached grade level, 27% meets, taking STAAR for the first time. Science was a struggle across the state and Pleasantville wants to focus on improving Science scores.</p> <p>Meets level was high across the grades 3-5.</p> <p>School Action Plan:</p> <ol style="list-style-type: none"> 1. Increase the level of purposeful direct instruction 2. Raise level of student engagement, increase MRS strategies at 10 minute intervals 3. (focus on Science) 5th grade students performing at the meets grade level standard on STAAR science will increase to 45% for the 23-24 school year. 4. Provide effective literacy instruction aligned with the STR in grades 1-5.

- 50% of Kinder & First grade students achieve a proficient score on DIBELS (MOY) – **might have to adjust percentage as DIBELS is assessed.**
- 5. Improve the quality of student writing (constructed responses) across all content areas.

Budget, Enrollment, & Staffing:

Budget – **small!** After salaries, there was about 33K compared to last year’s 300K.

Request has been put it for another 2nd grade teacher.

Enrollment – slightly above projection – currently at 230

Staffing – 2 vacancies (librarian, 1st grade)

Leader Effectiveness and Development (LEAD):

- Video was played, and a handout was passed out
- Questions answered regarding congruence measure
- Question was asked if this system is used anywhere else
- Shared the information about meetings and completing the feedback survey.
