Each member introduced themselves by sharing their name, title, and role, (both in person and virtually)

III. Purpose and Impact of SDMC

Principal Agnew shares purpose and impact of SDMC: purpose is the engage stakeholders in review of current progress of campus

Principal Agnew shared impact of SDMC as ensuring our campus makes progressive growth in serving students both based on instruction and culture

Agnew posed question to SDMC in the event members needed clarity on purpose and impact of SDMC

IV. Presentation of School Action Plan

i. Review

Agnew sets timer for ten minutes to allow members to review data and key actions in Action Plan

Agnew shares clarity on key actions for special education to provide additional context for the leader and teacher actions

Ajani Spiller asks how TELPAS is measured for emergent bilingual students

ii. Feedback Round

Angela Rivers suggests the Action Plan reflects a culture priority, not simply instructional priorities.

All teachers on SDMC agreed, as this is a gap that has been identified

Principal Agnew provided rationale for the how and why the Action Plan was formulated

iii. Next Steps

Principal Agnew shared next steps based on the SDMC feedback including, taking concerns back to the leadership team.
