Day 1:
Activity/Task: Your child will create a Venn Diagram showing past and present technology. Your child can use images from a magazine or Studies Weekly to create the Venn Diagram. Use notebook paper or copy paper to create the Venn Diagram.

Resources: Studies Weekly 25, scissors, glue, paper, and/or magazines

Additional Notes: Questions:
- What is different about the technology we use today?

Day 2:
Activity/Task: Discuss how we use modern transportation. Your child will draw an example of modern transportation including the latest technology. Your child can use notebook paper or copy paper to draw the picture.

Resources: Studies Weekly Week 25, pencil, copy paper or notebook paper, https://www.google.com/search?q=car+modern+technology&rlz=1C1GCEU_enUS860US860&oq=cars+and+modern+technol&aqs=chrome.1.69i57j0l2.6484j0j8&sourceid=chrome&ie=UTF-8

Additional Notes: Questions
- Ask your child: Why do we need transportation?
- What new technology do cars have?
- What does new technology let you do?

Day 3:
Activity/Task: Discuss some of the technology used at home with your child. Your child will draw a picture showing how technology helps the family at home. For example: T.V., dishwasher, microwave. Please let your child color and display the drawing

Resources: Copy paper, notebook paper, pencil, and crayons

Additional Notes: Questions
- How does the technology you drew help us at home?
- How does modern technology help us in our daily lives?
### Day 4:

**Activity/Task**
Your child will create a collage of items that all humans need daily in the United States. Ex. Pictures of a house, clothes, and food etc. Your child may use a poster board to create the collage. Studies Weekly, magazines or real items can be glued to the collage. Question: Discuss the collage and ask your child why did you choose the items on your collage?

**Resources**
Studies Weekly Week 25, poster board, crayons, pencil, scissors, and glue

### Day 5:

**Activity/Task**
Discuss landforms of Texas with your child. See video below. Your child can draw a map of Texas like the one below. Then color the water and landforms.

**Example:**
