

Waltrip High School
December SDMC Minutes
12-12-2019

Building Updates

Steamer in kitchen has been repaired.

There was no control box on the new sprinkler system that was constructed by McKashlen Construction
No water to girl's storage room.

3DE Partnership Update

January tour in Atlanta to be attended by Mr. Niggli and Ms. Witherspoon

Target date for implementation is Fall 2021

ROTC – Literacy Program; 164 cadets down from 180 last year. Enrollment expected to grow next year.

Mental Health Awareness

New program to WHS, Communities in Schools (CIS). Click on the link to learn more about the CIS model. <https://www.communitiesinschools.org/>

The Atrium – a sanctuary for silence when a student needs to study or meditate mornings or after school. The Atrium is being monitored by Student Ambassadors and Senior Class officers.

Staffing Updates:

Nurse - Rita Anderson (moving from Philadelphia) to start in January

Math – Ms Nguyen, Algebra I (for Ms. Castillo)

We will have 368 Seniors to graduate in May 2020. Next year we anticipate 400-500 Seniors.

Other:

Student, Destiny presented her idea of decorating hat dur graduation ceremony. Decorating could be done as a group effort to encourage participation from all seniors.

Student behavior has exponentially improved from this time last year.

HOSA

This group will be renamed Future Healthcare Professionals (FHP)

Waltrip has had another successful blood drive. We had 103 donors!
