SDMC met to discuss updates and concerns. Meeting called to order by Ms. Ward, Principal

1. Budget

- Campuses did not receive the other 50% of the budget. The school is working with the first 50% of funds.
- Title I Funds were used to purchase Stemscopes and Mentoring Minds resources

2. Technology/Devices:

- We have entered all the students that didn't have a device. The district will deliver devices once they are available.
- Teachers will send an updated list of any students that do not have a device and we will check our list to make sure they are on it.
- Students who are still using iPad 2 devices which are not supported by TEAMS will need an updated device.

3. Health & Safety

- We are getting better as a campus but we still have to work to do.
- Any suggestions SDMC would like to share will be shared with the Safety, Health & Wellness Committee at the next meeting next week.
- We need to continue reminding students and staff to wear their masks properly.
- A concern/suggestion was brought up that a consequence must be put in place for adults on the campus that are not wearing masks.
- Principal will meet with any staff member who refuses to wear a mask properly.

Meeting was adjourned at 3:51 p.m.
