## SDMC Meeting Agenda

Attendees: Dawn Buie, Samantha Thompson, Sterick Townsend and LaKenya Spriggs

### I. Budget Update

- a) We have allocated all the 2022-2023 school year budget.
- b) Due to the concern with carpool lane, we have ordered to signs to try to assist with morning traffic. We have requested police assistance however we have been informed that police officers are allocated for middle and high school. The only drop off and pickup area for the school is on the street and we can only have teacher and admin assistance on the sidewalk. Therefore, we hope the signs will provide some sort of assistance during carpool drop off and pickup
