- New Middle School Course Offerings
- Preliminary School Calendar 2020-2021
- Personnel Update; 2020-2021 vacancies
- Questions, Comments, Suggestions
- Adjourn
Meeting Minutes

The meeting was called to order by Mrs. Chenier at 1:30 PM. The following items were discussed.

**Summer School**

Summer school will be held virtually this summer. The dates are June 8-July 2\textsuperscript{nd}.

**Building Access**

Because the school closure was so abrupt, the building will be opened on designated days for faculty, staff, students, and parents to retrieve items. A schedule of dates and times for retrieval of items has been developed and communicated to families. Parents and students will retrieve items during the week of May 25\textsuperscript{th}. CDC Guidelines for social distancing and health screening will be implemented.

**2020-2021 SDMC Elections**

SDMC elections will be completed this month to fill vacancies for next school year, due to term limitations and teacher attrition.

**Virtual Parent Meetings**

Virtual Parent Meetings are being conducted via Zoom to connect with incoming and middle school families.

**2020-2021 – Virtual VG Magnet Tours**

We are considering the idea of Virtual Magnet Tours for incoming families.

**New Middle School Course Offerings**

Based on vision planning and parent/student input, and a realignment of our master schedule to optimize staffing, we are expanding our middle school course offerings to include General Music (choir as an enrichment class), Exploratory Science with an emphasis on STEAM, and multi-level piano classes.

**Preliminary School Calendar 2020-2021**

The preliminary school calendar for 2020-2021 was shared and discussed, but it was not distributed, due to the uncertainty of when school will open with the COVID 19 pandemic still looming. Events highlighted during the review of the calendar included full day professional development days in lieu of early dismissal days, cultural celebrations, orientation events for students and parents, and PTO community building events.
Personnel Update, 2020-2021 vacancies

Interviews are currently underway for vacancies. There are four vacancies in middle school, in addition to the Art class that has been vacant since mid-year due to the teacher relocating.

Meeting adjourned at 2:20 PM.
