

SDMC MEETING AGENDA

Betsy Ross Elementary School STEM Magnet

Friday, April 19, 2024

Mission

The mission of Betsy Ross Elementary School is to inspire a passion for learning and innovation to prepare students for an ever-changing world by establishing high academic and behavioral expectations. We will strive to create active partnerships between our families, faculty, and staff to ensure all members of the Betsy Ross community feel welcomed, supported, safe, and valued.

Vision

The vision of Betsy Ross Elementary School is to prepare all students to be productive, caring, and responsible members of a global society who are academically prepared and empowered to be innovators able to meet the demands of a changing world.

Instructional Priority

Teachers will facilitate student-led, flexible, culturally relevant lessons using multiple response strategies and choice boards to create imaginative work products across all subjects.

Instructional Focus

- Ensure all activities are aligned to the rigor of the verb in the TEK, including all LOs, CFUs daily, and DOL.
 - Ensure you create opportunities for students to demonstrate mastery in multiple ways and opportunities to collaborate with their peers using MRS strategies.
 - Ensure you consistently use CHAMPS to create a learning environment with structure, routines, and procedures.
