1. Budget – Due to projected enrollment, the budget next year will be smaller than previous years. ESSER will pay for a Teacher Specialist and a Teacher Assistant again next year.
2. Projected Enrollment is set at 321 by the district. However, Mrs. Lopez is trying to get it raised to 345.
3. Testing is beginning – please pay attention to the schedules.
4. GT Expo is March 29, 2023. Please make sure all projects are ready to be presented in the evening. This is time for our kids to shine!
5. Please let Mrs. Lopez know if anything changes about your plans to retire, transfer, or stay at Carrillo. They are beginning to plan for next year.
6. Teachers – Please begin creating a wish list for next year for materials you may want to use in class or that you may need. All vendors must be HISD approved. On the list include name of item, quantity, price, vendor, and website to order. Save it as Wish List - Last Name
Also, if you would like to attend a conference, please email the SDMC.
