Reading/Approval of Minutes

Ms. T. Garcia read the minutes from the January 23, 2019 meeting. The minutes were approved as written.

Modified Teacher Appraisal and Development System (M-TADS)

T. Garcia explained that the purpose of the meeting was to review the proposed changes to the Teacher Appraisal and Development System (TADS) for next school year. The district is requiring all campuses to hold a meeting during the month of February to review the proposed changes and to reach a consensus on a list of survey questions.

T. Garcia provided copies of the PowerPoint presentation and survey questions to all members present. T. Garcia then showed the district-provided M-TADS presentation outlining the proposed changes. After the presentation, discussion ensued over the survey questions until a consensus was formed. The results were provided to Mr. Soto for input into the principal's survey sent by the district.

Other Issues/Concerns

No other issues or concerns were brought forth.

The meeting adjourned at 4:53 p.m.
