All goals were met for the year, including 100% teacher accountability with IEPs, closing the gap on MAP assessments for Travis sub-groups, and teachers showing sufficient growth on the instructional components of their at least monthly Spot classroom evaluations.

The principal also discussed 2024-2025 MAP Assessment data where Travis showed expected growth in math, reading, and science, especially in grades 1, 3, and 5.

2025-2026 staffing and enrollment were considered, including that Travis is on track to meet its projection for 769 students.

Committee members offered proposals for starting a Travis safety patrol, using our new Clever boards for morning announcements, and better processes for lost and found items from the playground.

The meeting was adjourned at 4:04 p.m., and our next meeting is scheduled for Fall 2025.
