### **Transition to NES**

- Instruction
  - NES Expectations
    - LSAE model of assessment will be used for Eng 1 & 2 and Algebra

- Art of Thinking classes for 9th & 10th grade students (required for 2 years or 1?)
  - Will non-EOC teachers be able to have a teacher apprentice if all of the EOC teachers have their apprentices?
  - Special Ed support will remain as it currently is
  - In-class cameras will be used for EOC tested courses for disruptive students to be able to use in the zoom room
- **Staffing**
  - NES Support sent an email with the following information:
    - Salaries
    - Compensation
    - Staffing Phase One
- **Organization**
  - Under NES, what would the bell schedule look like?
    - Block scheduling
    - When will the school day start?
    - When will the building be open?
  - Any pertinent changes or questions related to the Master Schedule?
    - How many more teachers will be hired in order to have a block schedule?
    - Will teachers know in advance which courses they will be teaching?
