SDMC Minutes
September 20, 2018

Members Present: Erika Carter

Minutes:
Meeting was called to order by Ms. Carter at 4:00 pm. Agenda items discussed began with discussion of the campus school improvement plan. Teachers agreed that spending money on hiring an aide for the bilingual classes was important and good use of funds.

Next on the agenda was the CIS/Counseling and Parent Center. Ms. Carter shared what the plan was for the school to provide as much clothing and hygiene items to scholar families as possible based on donations received. Our counselor, Ms. Blake, spearheaded the advertising to families in need. This will be open and available throughout the school year or until supplies are depleted.

Lastly it was shared that we have a CIS Coordinator, Ms. Meghan Adams, added to our team at the campus level. She will be housed in room 106, with our campus Wraparound Specialist, Donua McDaniel. She will be available to assist us with IAT, counseling and with helping our scholars cope with outbursts and support teachers with extreme behaviors.

The meeting was adjourned at 4:39 pm.
