Meeting ended 52m 7s 9/30 4:29 PM

The meeting was started by Mrs. Cantu and Welcomed the members. Many of the members had attended the faculty meeting and there was a quick recap concerning the SIP. The members looked at the SIP and asked questions regarding the expectation of virtual students versus face to face students. Some members mentioned their concern on attendance and engagement. The members looked over the attendance portion as well as the at risk section. There was also a discussion regarding budget on the line items of SIP as well as the current enrollment. After discussion. Viola Torres motioned to approve the SIP as is since they understand it is a living document and as members can bring up changes. Mrs. Celaya second the motion and then all members approved the SIP. Mrs. Torres offered to sign the signature page of the SIP as well. Meeting adjourned.
