SDMC Meeting May 22, 2020 Minutes

Meeting called to order at 11:08 am by Ms. Johnson.

IB

Ms. Johnson discussed that our new goal is 2 planners by end of June (previously 3). IB PLC continued during the months of March and July. All grade levels completed the planner they will start at the beginning of the school year. More PD is needed focused on IB

Summer School

Discussed that the platform will be Microsoft Teams – which is what we’ve been using since March. Students have been identified and called but teachers have not been solidified due to recent reduction.

Upcoming School Year

Committee discussed the best use of the additional time. We decided to use it as an intervention block. 1-2 -Reading Mastery; 3-5 – Corrective Reading. Also, a true ESL block with specific resources to increase English language acquisition.

Meeting adjourned at 11:24 am.
