- 2018 – 2019 SIP

Safety

- The **safety topic** focused on everyone being vigilant while on campus. It was suggested to have monthly intruder drills beginning in the month of October. The staff was informed of the new policy regarding cafeteria entrance.
- Over the past two weeks, the **safety committee** implemented a new procedure in the cafeteria. According to the parent volunteers, and staff the process is a great improvement. The students like the leadership roles in the cafeteria, and they are using the appropriate voice levels.
- **SIP 2018- 2019**
- The grade level chair will review the SIP weekly during grade level meeting. Each grade level will monitor and discuss the level of implementation of each Action step.
- Ms. Darden will provide copies of the Lead4ward strategies implementation of the strategies will begin in October. The administration team will monitor implementation.
