Members present on TEAMS: M. Rodriguez, R. Fitzpatrick, L. Alaniz, K. McCloskey, E. Vazquez, N. Egan

The virtual SDMC meeting started at 3:15 p.m.

The purpose of the Shared Decision-Making Committee (SDMC) is to serve as an advisory group to the principal. The committee represents all parts of the school community. The committee monitors the implementation of the School Improvement Plan (SIP). Decisions are reached by consensus, and meetings are held four times per year. Minutes are posted on the Harvard school website.

Dr. Shelby Smith was named the new principal for Harvard ES. She shadowed Principal Alaniz for one day. The operating procedures for the campus are in place. Arts connect, Brainabouts, Young Audiences, and many other signature programs are unyielding partners and will continue for 2022-2023. We anticipate STAAR assessment results in mid-June.

Thank you to all SDMC members for the collaborative work accomplished. The support of the Harvard PTA is one reason we are a model school.

The virtual SDMC meeting adjourned at 3:50 p.m.
