SDMC Meeting Minutes

11/08/2023

4:15 pm – 5:25 pm

1. **Welcome:** Dr. Ramsarran, Ms. Ahumada, Mr. Kim
 - Positive feedback from the Superintendent. Benavidez is on the way to becoming a “model” school for NES schools.
 - Congratulations, Dr. Ramsarran, for Principal of the Month.
 - Holiday Program
2. **Vacancies:**
 - Hiring event this Saturday: we need 1 teacher, 2 Teacher Assistants, 1 Learning Coach, 2 counselors, and 1 Assistant Principal.
 - We are considering opening another PK class.
3. **Student Absences**
 - Students were out in the beginning.
 - While we saw some early student absences, there is now a weekly list of absences. Most of these absences were due to vacations, but we've taken action by conducting home visits. In some cases, students have moved or been evicted, and truancy letters will be issued. After ten consecutive absences, students may be subject to removal. Meetings will be held every two weeks on Wednesdays to address these concerns. Some students were homebound.
 - For every withdrawal, there are several new enrollments.
4. **Campus Needs Assessment-SIP (School Improvement Plan 2023-2024)**
 - Student Achievement
 - Areas of need include a growing gap (especially with test scores) between Asian and Hispanic regular students vs. bilingual counterparts.
 - Benavidez performed low in all domain categories.
 - By September/October 2023, continue to collect data for progress monitoring K-2 SPED students for DIBELS assessment and 3-5 grade SPED students for NWEA Map assessment. Also, K-2 for DIBELS and 2-5 grade students for NWEA MAP Assessment, mid-month and monthly K-5 Eureka assessments.
 - By February 2024, 70% of K-2, 3-5, and SPED will perform at or above the benchmark on respective assessments.
 - Administrators will continue walkthroughs/T-TESS observations, and teachers will have at least 6 cycles of improvement a school year.
 - Campus Culture and Climate
 - Benavidez Elementary is highly diverse therefore it is imperative to reflect this in the campus culture.
