**Recommendations Staffing / Interventions**

- Assistant Principal
- Catapult & Trice Learning

During the last budget meeting, Ms. Gomez was informed that she would be refunded funds for Mr. Miguel Blanco’s former Assistant Principal position. Ms. Gomez suggested using funds to hire tutors for 4th and 5th-grade students. The topic was open to suggestions. It was unanimously agreed that this would be an effective investment. Two consults have been contacted, Catapult & Trice Learning. Ms. Gomez has met with both consulting companies, and they will provide quotes. The company that better meets the needs of our students and campus will be contacted. Catapult offers its own curriculum, which would need to evaluate to verify that it aligns with our TEKS and rigor. Catapult offers 45-minute sessions. Trice Learning would be three days a week for 6 hours each day. They would be provided with the curriculum and resources. In addition to tutors, another suggestion was investigating into Clever boards to replace Smartboards. Clever boards would serve as a technological update to our classrooms, and if feasible, a plan to start rolling them out would be put in place.

**Campus Academic Data Story**

- District Level Assessments

District Level Assessments results were discussed. The focus at Cornelius Elementary is to drive student progress for all of our students. Every student, regardless of their tier, is to show growth. This growth is reflected in the percentages of meets and masters. Data by grade, by subject, and by teacher was presented.

**Literacy Reboot**

- K-3rd Literacy Reboot
- Literacy Academies

HISD is implementing a Literacy by 3 reboot. Every teacher from Kindergarten to 3rd grade will be attending a mandatory district literacy reboot training. Our 3rd-grade teachers were sent to this training this week. Second grade will be attending next month, then 1st grade, and finally, Kinder. Literacy Academies are being planned for next school year. Every teacher will be attending a two-week literacy academy through the span of the school year.
Upcoming Events

- Perfect Attendance & Honor Roll Celebration
- Paint with a Parent

Honor Roll celebration will be hosted by the PTO in the cafeteria on January 15th and the Honor Roll celebration on January 16th. Teachers will be reminded to distribute identifying stickers.

Paint with a Parent will be hosted Thursday, January 30th, from 5:30-7:00 pm. The space is limited to 75 parents due to the cafeteria size limit. Participants were on a first-come, first-serve basis. We are currently at full capacity with a waitlist of 15 parents. Due to the high demands, plans to host a second Paint with a Parent night will be considered.
