The meeting commenced at 8:05 AM.

Introductions & roles of members present: Aziz, Harris, Matsu, Moss, and Schmidt elected Mrs. Harris as Secretary.

Quarterly meetings are in-person, then via email if needed. Any stakeholder can raise a topic/suggestion via any SDMC member.

Minutes are posted on the school website and also available at the front office.

Enrollment is 862 (less than the projected 900) so funds from the **budget** have been set aside to return to the district.

We include all voices in major decisions

using a group model. Upcoming **priorities** are staffing / master schedule (spring) and SIP (School Improvement Plan) approval near the end of Sept. SIP components include growth on attendance, school safety, & masters level STAAR performance.

Mrs. Matsu suggested Dr. Susan Barnes for community member. Email Mr. Moss with suggestions for other **community / business members**.

Mrs. Harris suggested a **subcommittee** centered on faculty support / needs.

Open House on 08/29 was a packed house!

Ms. Schmidt suggested

a **support / intervention system** for students who may exhibit warning signs of concerning behaviors. We will discuss at our faculty meeting with counselors. Mrs. Aziz, VP at an Islamic private school, is a resource on how to improve school safety.

Future meetings: Nov 12, Jan 14 (if needed), Mar 10, and May 12.

Meeting adjourned at 8:30 am.
