Safety

- We are communicating to parents, students and staff that all must wear a mask and practice social distancing. If student/staff need a mask or wipes they will be provided with PPE.
- What will it look like when students return for 4th six weeks?
  - More students will likely return on Monday February 1, 2021 for the second semester.
    - Same protocols in place
    - Nurse Carter along with a team will check students in outside
    - If students do not have mask, the campus will provide one
    - Desks will be separated and, in a square, to promote social distancing
    - Teacher desk will be equipped with a plex-glass shield
    - We will have traditional lunch. Students will have to remove/lower mask, but they are restricted to 6 feet to allow for social distancing
    - Wipes will be provided for students to clean their desk.
    - Hand sanitizer will always be provided for each student/staff/person.

Q & A on Safety:

Mrs. Williamson: Concerned that custodians are wiping down desk using the same rag dipped in same water.
Dr. Williams: I will speak to PO and ensure this method is changed.

Mrs. Williamson- And the ants have taken over the building. Is there anything we can do?

Dr. Williams: There has been constant communication with the district exterminators to no avail. Maybe if we write a letter and everyone on SDMC sign off on it, something will happen quicker.

In addition, the changing of the filters was brought up. No one has seen anyone changing filters. Dr. Williams said she would check into it. Ms. Smith reiterated the fact that the ants were out of control and needed to be taken care of.
**Budget**

- Dr. Williams shared we currently have about $78,000 remaining in our campus budget for the remainder of the school year.
- Dr. Williams would like to possibly add another history teacher and electives, but would depend on budget and number of students.
- Dr. Williams stated she will work to provide all teacher request for student learning but did not want to spend money on new virtual platforms that have not been proven effective.

**Magnet**

- 432 applications for the 2021-2022 school year.
- Of those, 283 are qualified, others still need to turn in additional paperwork or have manual matrix completed.
- Notifications will go out electronically on 2/1/21.
- Magnet Signing Day planning is underway.

**General Business**

- Tiphany Burrell shared that she is joining us again by working for our network YWPN as the development manager. Her role is to bring in additional funding for the school.
- PTO president, Ms. Toomey, shared that PTO would be willing to host meetings for the parents of struggling students. Asked for a specific list, Dr. Williams let her know she could not have names because of privacy laws. Could only have general meetings.
- Title I coordinator, Ms. Robinson will have a Girl Talk meeting tomorrow (1/22) Typically known as Coffee with the Principal.
- College Bound Advisor Ms. Gonzalez shared that only 6 of our current seniors have not been accepted into a college, but she was positive it was just a matter of time.
- Committee brought up the intention behind the school and if we could bring back interviews. M. Robinson said no, because it is not looked at as equitable.
- Dates for final exams (1/25-1/28) and second semester (2/1) shared by Dr. Williams.
- Focus on social, emotional well being of students. Committee tasked to think of ways to implement virtually.

**Next Meeting**

Next meeting TBD at 4:15pm via Teams.

Dr. Williams moved to adjourn the meeting at 5:26 pm. Ms. Gonzalez seconded. Meeting adjourned!
