➤ Questions and Concerns

- Fights at the corner store: Dr. Maldonado used to be posted be there. Why isn't anyone posted there and can someone be posted there now?- If we have staff posted at the store they run the risk of getting injured themselves, which means Burbank will not be liable for anything because it is not on campus. (Parents will be talked to during parent nights about fights at the store and safer pick-up procedures.)
- Does the panic button work? - Teachers are asked to please contact Mr. Pineda if they have a concern about their panic button not working. Every teacher now has phones in their room to call anyone on campus. Panic buttons should only be used in case of an emergency.
- Dress down days – way too many, it's not controlled (kids give passes to other kids or don't even have them)- Teachers will be asked to do a quick check after the morning announcements to check for wristbands. Anyone dressed down without a wristband should be sent to their grade-level AP's office.
- Building needs to be open and ready earlier on Saturdays. (Lights and AC would be nice too)- Building will begin to open at 6:45 am on Saturdays. / The double doors by the Gym and one door in the stairwell by Ms. Ruiz will be open on Saturdays for students and teachers in the Annex.
- Students are not permitted to bring blankets on testing days.
