Agenda:

- Introduction and new year.
- Review revised Action Plan
- HISD Bond.

Revised School Action Appraisal:

- Dr. Akala reviewed the revised school action. She explained the campus improvement areas outlined by the district, including special education compliance and emergent bilingual data.
- Dr. Akala reviewed the key actions and indicators. Indicators were explained in detail.
- Official observations start in October.
- There were no questions about the revised Action Plan. A vote was conducted of 7 members and 100% are in agreement.

HISD Bond 2024:

- Principal can only give information about the bond but cannot influence a person's vote.
- Dr. Akala provided an HISD Bond History.
- HISD has had a total of \$4,181,600 dollars for its history.
- There will be no tax increase to taxpayers within HISD.
- HISD is asking for \$4.2B. It has 184,109 students and 274 school.

Allocation of \$4.4 Billion with No Tax Increase

- \$1.04B Safe & Healthy Campuses

- \$1.07B Future Ready

- \$2.27B Restoring Houston's Schools

- HISD has a rating of AAA

- Safety upgrades and health upgrades discussed. Some questions about what that would look like within our own school.

- Sutton will get safety and security upgrades, HVAC improvements, and lead abatement.

Questions:

- Will T-Buildings remain T-Buildings or will there be any rebuild?
