Benefits of Having a SHAC

1. Addressing the health needs of students through the work of the SHAC, helps meet district performance goals and alleviates financial constraints.
2. SHACs play an important role in communicating the connection between health and learning to school administrators, parents and community stakeholders.
3. SHACs can help parents and community stakeholders reinforce the health knowledge and skills children need to be healthy for a lifetime.

How to Participate

If you would like to be considered for either the council or a committee, please contact the manager of Secondary Health and Physical Education at Tel: 713-556-6823.
