2024-2025

A ***School-Parent Compact for Achievement*** is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- » Link to goals of the school action plan.
- » Focus on student learning skills.
- » Describe how teachers will help students develop those skills using high-quality instruction.
- » Share strategies parents can use at home.
- » Explain how teachers and parents will communicate about student progress.
- » Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students, and staff of Peck Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

- ✓ If you would like to volunteer, participate, and/ or observe in the classroom, don't hesitate to get in touch with Gaybriel Toliver at Gaybriel.Toliver@houstonisd.org 713-845-7463 go to our school website on the **Parent Button**.

Building Partnerships

Monthly Family Fun Learning Adventures!

Join Us for Our "Family Fun Learning Adventures" once a month from (5:00PM - 6:00PM)

children's learning. Some of the ways you can expect us to reach you are:

- ✚» Daily homework folders
- ✚» Monthly newsletter, ClassDojo, notes, or phone calls
- ✚» Updates on the school website and current grades in PowerSchool
- ✚» Parent-teacher conferences in October and January

Do you have questions about your child's progress? Contact your child's teacher by phone (713-845-7463) or e-mail. E-mail addresses are on the school website.

Our Goals for Student Achievement

HoustonISD District Goals

The Board of Education sets goals for the entire district.

The district goals for 2024-2025 are:

- Ensure that all students graduate from high school ready to succeed in college and/or the career of their choice.
- Have parents participate in the decision-making process regarding the Title I, Part A program.

Lora B. Peck Elementary School Goals

Peck Elementary administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school.

- By June 2025, 60% of students will meet their individual growth target on 2-5 NWEA MAP Reading.
- Reading STAAR: In the 2024-2025 school year, the percentage of students achieving Meets grade level in STAAR will increase 7% points in both Reading and Math.
- By May 2025, 90% of students in grades K-4 will complete at least 90 grade level Zearn lessons and 90% of students in grade 5 will complete at least 60 grade level Zearn lessons.

2024-2025

At Peck Elementary, students, staff, and parents have worked together to develop strategies for success in math, science, and reading. As part of our commitment to achieving excellence, students will strive to:

-  Share new vocabulary words and discuss what I am learning in math and science with my family.
-  Bring home my daily folder and any notices about school events and activities.
-  Read for at least 30 minutes each night and reflect on what I have read.
-  Actively participate and engage in the positive culture of Lora B. Peck Elementary School

At Home

Peck Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list.

- » Try to attend Family Fun nights or get information from the PTO or my child's teacher if we can't attend.
- » Read to your child or listen to your child read and ask questions every night. What did you learn? What is the story about?
- » Look for the class dojo and the monthly school newsletter and check out the school Web site.
