</thead>
</table>
| **Unit 3: My Relationships** | 8 30-minute lessons | **Communication**  
HE.4.9F Analyze strengths and weaknesses in personal communication skills.  
HE.4.9D Demonstrate healthy ways of gaining attention, such as using “I” messages and being polite.  
HE.4.10A Demonstrate consideration when communicating with individuals who communicate in unique ways, such as someone having a speech defect, someone not speaking English, or someone being deaf.  
HE.4.10B Describe healthy ways of responding to disrespectful behavior, such as having self-control over emotions and actions.  
HE.4.10C Describe strategies (e.g., taking deep breadths and counting to ten) for self-control and the importance of dealing with emotions appropriately (e.g., talking to parents or trusted adults) and how they affect thoughts and behaviors.  

**Social Development**  
HE.4.8B Describe the importance of being a positive role model for health.  
HE.4.9A Describe the qualities of a good friend, such as being loyal, trustworthy, and reliable, and respecting individual similarities and differences, caring about one another, playing games together, and showing compassion.  
HE.4.9E Identify critical issues that should be discussed with parents/trusted adults, such as puberty, harassment, and emotions.  

**Peer Pressure and Refusal Skills**  
HE.4.11D Explain the dangers of yielding to peer-pressures by assessing risks/consequences.  
HE.4.8A Explain the influence of peer pressure on an individual’s social and emotional health.  
HE.4.9C Explain the importance of refusal skills and why the influence of negative peer pressure and the media should be resisted.  
HE.4.9G Identify positive and negative characteristics of social groups, such as gangs, clubs, and cliques.  

**Decision Making**  
HE.4.11E Describe steps in decision making (e.g., is it helpful, is it safe, does it follow rules and laws, does it show respect for myself and others, does it follow my family’s guidelines, and does it show good character) and problem solving.  

**Goal Setting**  
HE.4.11B Explain the advantages of setting short and long-term goals.  
HE.4.11C Describe the importance of parental guidance and other trusted adults in goal setting.  

**Suggested Pacing:**  
Jan. 6 – Mar. 6  
MLK Jr. Day Jan. 20  
Early Dismissals Jan. 17  
Feb. 14  

**Extend Review Assess Reteach**  
Mar. 9-13  
Spring Break Mar. 16-20
### 2019-2020 Scope and Sequence
Health Education – Grade 4
