### Unit 1: Music Review

Teachers will review and assess performance and literacy skills in the 5 competency areas that were covered during the previous year. They will use this information to select performance literature and plan for instruction. Students will continue to build on concepts such as the application of nomenclature related to dynamics, intonation, tempo, and overall musicianship.

### Unit 4: Introducing Improvisation

Students will use performance skills to demonstrate their ability to improvise. Building on prior knowledge, students will improvise rhythms, melodies, and simple accompaniments using basic rhythmic patterns within a limited range. They will demonstrate basic knowledge of dynamics and terminology affecting music performance. Students will also continue to develop their basic performance skills through daily developmental exercises and performance literature.
