| **Unit 1: Rules and Safety** | **9** 45-minute lessons | **Rules and Safety in Movement**
| **in this unit, students will focus on rules and safety and develop a consciousness of self in comparison to the body, relationships, and space. Students will focus on rules and safety procedures as they impact movement, physical activity, and social development.** | **Suggested Pacing:** Aug. 26 – Oct. 11 | **PE.K.1A** Move in different ways in a large group within and around boundaries without bumping into others or falling.  
**PE.K.1B** Demonstrate clear contrasts between slow and fast movements when traveling.  
**PE.K.1C** Perform non-locomotor (axial) movements such as twisting, bending, stretching, pulling, and pushing.  
**PE.K.1D** Maintain balance while bearing weight on a variety of body parts.  
**PE.K.7A** Demonstrate the ability to follow rules, procedures, and safe practices such as starting and stopping signals during physical activities. |
| **Early Dismissals** | **Sept. 27**  
**Sept. 27**  
**Oct. 9 (students only)** | **Rules and Safety in Physical Activity and Health**
| **Rules and Safety in Physical Activity and Health** | **PE.K.3B** Participate in moderate to vigorous physical activities on a daily basis that cause increased heart rate, breathing rate, and perspiration.  
**PE.K.3C** Participate in appropriate exercises for flexibility in shoulders, legs, and trunk such as roll the shoulders, arm circles, reach for the stars, dangle to the toes, twist at the trunk, lean to the side, bend and straighten the knees.  
**PE.K.3D** Demonstrate the ability to lift and support his/her own weight in selected activities that develop muscular strength and endurance of the arms, shoulders, abdomen, back, and legs such as hanging, hopping, and jumping.  
**PE.K.3E** Recognize the benefits from involvement in daily physical activity such as feeling better, sleeping better, looking good, enjoying life, and meeting emergencies. | **PE.K.7A** Demonstrate the ability to follow rules, procedures, and safe practices such as starting and stopping signals during physical activities. |
| **Extend Review Assess Reteach** | **Sept. 27**  
**Oct. 18** | **Rules and Safety in Social Development**
| **Rules and Safety in Social Development** | **PE.K.6A** Respond appropriately to starting and stopping signals.  
**PE.K.6B** Demonstrate the ability to play within boundaries during games and activities.  
**PE.K.7A** Demonstrate the ability to follow rules, procedures, and safe practices such as starting and stopping signals during physical activities.  
**PE.K.7B** Demonstrate the ability to work in a group setting in cooperation with others. | **PE.K.7B** Demonstrate the ability to work in a group setting in cooperation with others. |

|  |  | PE.K.2A Identify selected body parts such as head, back, chest, waist, hips, arms, elbows, wrists, hands, fingers, legs, knees, ankles, feet, and toes.  
PE.K.2B Demonstrate movement forms of various body parts such as head flexion, extension, and rotation.  
PE.K.1F Demonstrate variety relationships such as high, low, under, over, behind, next to, through, right, left, up, down, forward, backward, in front of, and between an object and the body.  
PE.K.1G Roll sideways (right or left) without hesitating.  
PE.K.1H Toss a ball and catch it before it bounces twice. | |
|  |  | **Lead-Up Activities in Physical Activity and Health** Students will actively participate in lead-up activities that focus on the importance of practicing skills for success in sport specific games and learn the effects of physical activity on the body. | |
|  |  | PE.K.3A Describe and select physical activities that provide opportunities for enjoyment and challenge.  
PE.K.4A Observe and describe the immediate effect of physical activity on the heart, breathing rate, and perspiration.  
PE.K.4B Locate the lungs and explain their purpose.  
PE.K.4C State that rest and sleep are important in caring for the body.  
PE.K.5C Explain how proper shoes and clothing promotes safe play and prevent injury. | |
|  |  | **Lead-Up Activities in Social Development** Students will have the opportunity to use fundamental lead-up skills in competitions to practice social skills through gaming interactions among peers. | |
|  |  | PE.K.6A Respond appropriately to starting and stopping signals.  
PE.K.6B Demonstrate the ability to play within boundaries during games and activities.  
PE.K.7A Demonstrate the ability to follow rules, procedures, and safe practices such as starting and stopping signals during physical activities.  
PE.K.7C Demonstrate the ability to share space and equipment with others during physical activities. | |

**Note:**
- The recommended number of lessons is less than the number of days in the grading cycle to accommodate differentiated instruction, extended learning time, and assessment days. Complete instructional planning information and support are in the HISD Curriculum documents.

**Pacing:**
- **Early Dismissal** Nov. 8
- **Thanksgiving Holiday** Nov. 25-29
- **Extend Review Assess Reteach** Dec. 16-19
- **Teacher Preparation Day** Dec. 20
- **Winter Break** Dec. 23 – Jan. 3

| **Unit 4: Recreational Sports/Activities**  
In this unit, students will practice recreational sports and activities that may be played at home or in a community setting. Recreational sports/activities provide students with options on how to utilize free time in a positive manner. Students will be able to identify how recreational activity can be used as a positive outlet for energy expenditure. Students will demonstrate skills of being a responsible and respectful peer in school and the community. | 9  
45-minute lessons | **Recreational Sports/Activities in Movement**  
Students will be introduced to a myriad of activities that impact different sports such as basketball, soccer, and dance.  
**PE.K.1A** Move in different ways in a large group within and around boundaries without bumping into others or falling.  
**PE.K.1B** Demonstrate clear contrasts between slow and fast movement when traveling.  
**PE.K.1C** Perform non-locomotor (axial) movements such as twisting, bending, stretching, pulling, and pushing.  
**PE.K.1D** Maintain balance while bearing weight on a variety of body parts.  
**PE.K.1E** Walk forward and sideways the length of a beam without falling. |

|  | Suggested Pacing:  
Mar. 18 – May 22  
Spring Holiday  
Apr. 10  
Memorial Day  
May 25 |  |
|---|---|---|
| **Extend Review Assess Reteach**  
May 26-29 | **Recreational Sports in Physical Activity and Health**  
Students will be introduced to sun and water safety skills and review wellness tips and injury prevention that will assist with making healthy decisions when participating in recreational activities.  
**PE.K.3A** Describe and select physical activities that provide opportunities for enjoyment and challenge.  
**PE.K.3B** Participate in moderate to vigorous physical activities on a daily basis that cause increased heart rate, breathing rate, and perspiration.  
**PE.K.3E** Recognize the benefits from involvement in daily physical activity such as feeling better, sleeping better, looking good, enjoying life, and meeting emergencies.  
**PE.K.4C** State that rest and sleep are important in caring for the body.  
**PE.K.5A** Use equipment and space properly during physical activities.  
**PE.K.5D** Explain appropriate water safety rules such as never swim alone, never run around pools, look before you jump, enter feet first, and know the role of the lifeguard. |

|  |  | **Recreational Sports in Social Development**  
Students will participate in activities that build positive recreational choices in the school community setting.  
**PE.K.6B** Demonstrate the ability to play within boundaries during games and activities.  
**PE.K.7A** Demonstrate the ability to follow rules, procedures, and safe practices such as starting and stopping signals during physical activities.  
**PE.K.7C** Demonstrate the ability to share space and equipment with others during physical activities. |
