- Action Plan- Went over action plan and goals. Committee wanted to know more about closing the gap for our African American population. They ask for more information on our current data points and wanted to have more specifics on getting parents involved.
- Budget- Discussed recapture due to enrollment and how the campus will compensate. Stevenson is short about 22 students and will have to give back over \$90,000.

Follow-Up Items

- Data for African American populations at Stevenson
- Committee for student retention that involves parents and staff
