SUBJECT: **2014 FINAL TEA ACCOUNTABILITY SYSTEM RATINGS AND DESIGNATION OF FOCUS AND PRIORITY SCHOOLS**

The attached report provides a summary of the final 2013-2014 district and campus academic accountability ratings released by the Texas Education Agency (TEA) on December 3, 2014. Ratings were finalized after the appeals process was completed. **HISD did not submit any appeals, therefore, the preliminary ratings published August 8, 2014 are now final.** In order to receive a "Met Standard" rating under the new system, all campuses and districts must meet accountability targets for each of four indexes for which they have performance data. These indexes (or measures) include: Student Achievement, Student Progress, Closing Performance Gaps, and Postsecondary Readiness.

For the 2013-2014 school year, 220 campuses out of 264, or 83 percent, "Met Standard" (see **Table 1**) in comparison to 91 percent statewide. For index level performance, refer to **Table 2**. Campuses that were previously under the jurisdiction of North Forest ISD were Not Rated Due to Annexation. In addition, two campuses, McGowan ES and Key MS, were Not Rated Due to Annexation due to the influx of students from NFISD after annexation.

**Table 1. HISD 2012-2013 and 2013-2014 Accountability Summary Compared to State**

Index 4: Postsecondary Readiness	46	4	9	42	91	264	29	11	235	89

\*Includes Paired Campuses

The HISD as a whole surpassed each of the targets set for the four indexes as follows:

- **Index 1** Target: **55**    Score: **71**
- **Index 2** Target: **16**    Score: **42**
- **Index 3** Target: **28**    Score: **38**
- **Index 4** Target: **57**    Score: **69**

In addition, campuses that receive an accountability rating of “Met Standard” are eligible for the distinction designations listed below in **Table 3**. Campuses evaluated under alternative education accountability (AEA) provisions are not eligible for distinction designations.

**Table 3. HISD Distinction Designations**

	2012-2013			2013-2014

Academic Achievement in Reading/ELA		125	62		124	48
Academic Achievement in Mathematics		88	44		98	38
Academic Achievement in Science	Not Awarded in 2012-2013				72	28
Academic Achievement in Social Studies					32	12
Top 25 Percent: Closing Performance Gaps					98	38
Postsecondary Readiness					92	36

\*Out of 264 campuses rated, 5 campuses were not eligible due to alternative standards.

Additionally, schools typically are rated under the federal accountability system, Adequate Yearly Progress (AYP). However, as the result of the U.S. Department of Education approving the TEA's waiver for flexibility, TEA was granted permission to utilize the state's accountability system in lieu of AYP. Therefore, criteria for Focus and Priority schools were determined in lieu of the previous AYP designations. Schools that received these designations based on the 2013 accountability results will keep these designations for three years. The list of 28 Priority schools and 49 Focus schools remains unchanged with the release of the 2014 state accountability ratings.

Attached is the complete report. Should you have further questions, please contact my office in the Department of Research and Accountability at (713) 556-6700.

## Texas Education Agency Final Accountability Ratings Report 2013-2014

In accordance with educational requirements set forth by the 80th and 81st sessions of the Texas Legislature, the Texas Education Agency (TEA), in collaboration with the Texas Higher Education Coordinating Board (THECB) and Texas educators, has developed a new and more rigorous assessment system that will provide the foundation for a new accountability system for Texas public education. One of the most significant changes is in the area of assessment with the phasing out of the Texas Assessment of Knowledge and Skills (TAKS) and the phasing in of the State of Texas Assessments of Academic Readiness (STAAR™). The changes can be best understood by examining how new assessment and accountability systems will focus on increasing college and career readiness of the state's graduating high school students and making Texas students more competitive with other students both nationally and internationally.

The changes, primarily in response to the passage of Senate Bill 1031 (80th Texas Legislature, 2007) and House Bill 3 (HB 3, 81st Texas Legislature, 2009), include:

- Increasing the rigor and relevance of both standards and assessments;
- Creating and assessing postsecondary readiness standards;
- Establishing campus and district accountability based on higher college- and career-readiness performance standards on STAAR, and on distinctions earned by campuses demonstrating achievement in areas not measured by the STAAR program as well as on academic performance; and
- Establishing new time lines for interventions and sanctions while also expanding school closure and alternative management options.

On April 23, 2013, Commissioner of Education Michael L. Williams announced the four components that is now a part of the new state accountability system for school districts, campuses and charters in Texas. The first ratings under this system were issued by the Texas Education Agency on August 8, 2013. The revised system still uses student assessments, but also makes use of additional indicators to provide parents and taxpayers greater detail on the performance of a district or charter and each individual campus throughout the state.

The 2014 accountability system uses a performance index framework that considers four indexes. Detailed information on each of the four indexes, including construction of the index, scoring tables, minimum size requirements and exclusions can be found in the Accountability Technical Document which can be downloaded from the [Research and Accountability website](#). A one page overview is provided in the **Appendix**. The four indexes are:

### **Index 1 - Student Achievement**

Represents a snapshot of performance across all subjects, on both general and alternative assessments, at an established performance standard.

- All Students Only, combined over All Subject Areas
- Credit given for meeting phase-in Level II performance standard on:
  - STAAR Grades 3-8 English and Spanish for assessments administered in the spring;
  - EOC for assessments administered in the spring and the previous fall and summer;
  - STAAR Grades 3-8 and EOC Modified and Alternate; and

- STAAR L (linguistically accommodated)
- Recent immigrants in their second through fourth year in a U.S. school included using the STAAR English Language Learner (ELL) progress measures on the English STAAR assessments.

## **Index 2 - Student Progress**

Provides an opportunity for diverse campuses to show improvements made independent of overall achievement levels. **However, due to the reduction of STAAR EOC assessments mandated by House Bill 5, Index 2 is waived for High Schools for the 2013-2014 ratings and for campuses rated under the alternative education accountability (AEA) provisions.**

- Ten Student Groups Evaluated:
  - All Students
  - Each Race/Ethnicity: African American, American Indian, Asian, Hispanic, Pacific Islander, White, Two or More Races
  - Students with Disabilities and English Language Learners (ELLs)
- By Subject Area (Reading and Math for eligible grades)
- Same assessments used in Index 1 where student progress measures are available
- Credit based on weighted performance:
  - One point credit given for the percentage of tests at the Met growth expectations level and two points credit given for the percentage of tests at the Exceeded growth expectations level
- Credit given for recent immigrants in their second through fourth year in a U.S. school who meet or exceed STAAR ELL progress measure on the English STAAR assessments.

## **Index 3 - Closing Performance Gaps**

Emphasizes advanced academic achievement of the economically disadvantaged student group and the lowest performing race/ethnicity student groups at each campus or district.

- All Economically Disadvantaged Students and Two Lowest Performing Racial/Ethnic Groups based on the Index 1 student achievement indicator reported in the prior year
- By Subject Area (Reading/ELA, Mathematics, Writing, Science, and Social Studies)
- Same Assessments Used in Index 1
- Credit based on weighted performance:
  - One point credit given for the percentage of tests meeting the Phase-in 1 Level II performance standard and two points credit given for the percentage of tests at the Level III Advanced performance standard
- Credit given for recent immigrants in their second through fourth year in a U.S. school on the STAAR ELL progress measure and for students who score at the final recommended standard or the STAAR English assessment.

## **Index 4 - Postsecondary Readiness**

Includes measures on four components, State of Texas Assessments of Academic Readiness (STAAR) performance, graduation, graduation plan and college-ready graduates. This measure emphasizes the importance of students receiving high school diplomas that provide the foundation necessary for success in college, the workforce, job training programs or the military.

- STAAR/EOC
  - Percent Met Final Level II on two or more STAAR subject-area tests
  - All Students and race/ethnicity student groups
  - Students with Disabilities and English Language Learners (ELLs) excluded

- Students tested on one subject area only must meet the Final Level II performance standard for that subject area. Similarly, students tested on only two subject areas must meet the final Level II performance standard for both subject areas.
- Same Assessments Used in Index 1
- ELL students in U.S. schools years 2-4, taking the English assessment, are excluded from this calculation.
- High School Graduation
  - Four-year Graduation Rate or Five-year Graduation Rate (or Annual Dropout Rate if no graduation rate)
  - Ten Student Groups Evaluated: All Students, each Race/Ethnicity, Students with Disabilities, and ELLs
- Percent Recommended or Distinguished Achievement (Advanced) High School Program Plan (RHSP/DAP) Graduates
  - Eight Student Groups Evaluated: All Students and each Race/Ethnicity
- College-Ready Graduates
  - High school graduates from the 2012-13 school year who met the college-ready criteria on the TAKS exit-level test, or the SAT test, or the ACT test in both ELA and mathematics.

The purpose of this report is to summarize the 2013-2014 district and campus accountability ratings based on the accountability targets established for 2013-2014 in **Table 1**. District and campuses with students in Grade 9 or above must meet targets on indexes one, three and four. Districts and campuses with students in Grade 8 or lower must meet targets on all four indexes. To receive a “Met Standard” rating all campuses and districts must meet the accountability targets for each index for which they have performance data.

For the 2013-2014 school year, 220 campuses out of 264, or 83 percent, “Met Standard” (see **Table 2**) in comparison to 91 percent statewide. For index level performance, refer to **Table 3**. Campuses that were under the jurisdiction of North Forest ISD were Not Rated Due to Annexation.

In addition two campuses, McGowan ES and Key MS, were Not Rated Due to Annexation due to the influx of students from NFISD after annexation.

The HISD as a whole surpassed each of the targets set for the four indexes as follows:

- **Index 1 Target: 55    Score: 71**
- **Index 2 Target: 16    Score: 42**
- **Index 3 Target: 28    Score: 38**
- **Index 4 Target: 57    Score: 69**

Campuses that receive an accountability rating of “Met Standard” are eligible for Academic Achievement Distinction Designations (AADD). For 2014, distinction designations are awarded in the following areas:

- Academic Achievement in Reading/English Language Arts (campus only)
- Academic Achievement in Mathematics (campus only)
- Academic Achievement in Science (campus only)
- Academic Achievement in Social Studies (campus only)
- Top 25 Percent: Student Progress (campus only)
- Top 25 Percent: Closing Performance Gaps (campus only)
- Postsecondary Readiness (campus and district)

Campus distinction designations are based on campus performance in relation to a comparison group of campuses. Each campus is assigned to a unique comparison group of 40 other public schools (from anywhere in the state), that closely matches that school on the following characteristics: campus type, campus size, percent economically disadvantaged students,

mobility rates (based on cumulative attendance), and percent of students with limited English proficiency. The indicators for the designations are listed in **Table 4**.

\*Out of 264 campuses rated, 5 campuses were not eligible due to alternative standards.

Complete scoring information on all campuses can be found in **Table 6** and a one page reference is provided in the **Appendix**. All campuses serving grades PK-12 must receive an accountability rating. However, campuses with no state assessment results due to grade span served are incorporated into the accountability system by having districts choose another campus within the same district with which to pair for accountability purposes. These campuses, though not rated in the past, receive a rating based solely on the paired campus' performance. These campuses, along with their pairs, are also identified in **Table 6**. Campuses not rated include Advanced Virtual Academy, Beechnut Academy, Community Services, HCC Life Skills, JJAEP, and Liberty.

\* Apollo Campus +Alternative Education Accountability (AEA) Campus

**Federal Accountability**

For some time, Texas schools and local education agencies (LEAs) have been held accountable under two systems: the state accountability system, mandated by the Texas Legislature, and the federal system, created by the No Child Left Behind (NCLB) Act.

Despite the best efforts of all parties, the implementation of two systems often results in a confusing mix of requirements that detract attention from the overall goal—improved performance for all students. To support this goal, and to create optimal learning environments and sustainable increases in student achievement, a coordinated, effective statewide system of support for struggling schools and LEAs is essential.

As a result, on September 30, 2013, the Texas Education Agency (TEA) received approval from the U. S. Department of Education (USDE) for a request to waive specific provisions of the Elementary and Secondary Education Act (ESEA), as amended by P.L. 107-110 No Child Left Behind (NCLB) Act of 2001. The waiver requests gives TEA and more than 1,200 LEAs additional flexibility while reducing duplication. Most importantly the waiver allows TEA to utilize the states accountability system, in lieu of the federal accountability system known as Annual Yearly Progress (AYP).

In 2014 TEA established a list of Priority (see **Table 7**) and Focus (see **Table 8**) schools in lieu of AYP designations based on criteria and calculations established for Priority and Focus schools which can be found on the HISD Research and Accountability Website. These school designations will remain in effect for 3 years (2013-14, 2014-15, 2015-16). A new three-year list of Priority and Focus schools will be generated at the beginning of the 2016-17 school year.

In addition to Priority and Focus schools, TEA published a state-wide list of Rewards schools according the following criteria:

**High-Performing**

- Title I school with distinctions based on reading and math performance
- Title I high school with completion rate of 90% or higher

**High-Progress**

- Title I school in the top 25% in annual improvement; and/or
- Title I school in the top 25% of those demonstrating ability to close performance gaps based on system safeguards

HISD has 17 High Performing and 17 High Progress campuses based on 2013 Accountability data:

**High Performing Schools:**

- Bellaire HS
- Challenge Early College HS
- DeBakey HS
- Eastwood Acad.
- Lamar HS
- Westside HS
- Pershing MS
- De Chaumes ES
- DeZavala ES
- Field ES
- JP Henderson ES
- Lyons ES
- Oak Forest ES
- Park Place ES
