A Dual Language Magnet School

### From the Desk of

**Principal, Ms. Diana Del Pilar** – We are off to an exciting school year! We are working hard to improve our communication with parents. It is our goal to include parents in the education process and hope to see all of you at our upcoming events. *Parents + Schools = Successful Children*

**Magnet Coordinator, Julie Sanchez**- It should be noted that a “full immersion” student’s English development may lag temporarily in reading, word knowledge, and spelling while instruction is occurring exclusively in the immersion language.

We will Meet at 7:30 am to help prepare the float and the participants for the parade. Friday night between 5 - 7:30pm we need volunteers to prepare items for the float. We will also need volunteers from 8- 11:00am to prepare for festivities at the school once the parade is over. Decorations, food and entertainment are welcome. More details to come this week.

### Get in the Know....

Fotofest is partnering with Helms Elementary to develop critical thinking and communication skills. How? Through project based learning that integrates multi-media in the content areas. Ms. Ruth Robbins, our resident videographer is working with teachers in 4<sup>th</sup> and 5<sup>th</sup> grade to help students discover the power of media to creatively communicate concepts, processes, and skills. One teacher in every grade is implementing media and has been trained by Fotofest. We are so excited to showcase our first products next month!

Art League Houston is also partnering with Helms! Our resident *Artbound!* Teaching artist, Carrie Sneider, will be working with three Helms teachers -in 3<sup>rd</sup> through 5<sup>th</sup> grade. This partnership between Art League Houston, HISD, and Target offers an extraordinary program- that connects concepts and skills in school to curriculum to concepts and skills in the visual arts.

## Parent Connection

Reading to your child, listening to your child read, and providing a print rich environment will increase your child's vocabulary, reading comprehension, and writing skills. More importantly, it will develop a life-long love of reading and start him/her on the path to college. Learn about the Heights Public Library at Open House.– Mrs. Del Pilar
