Student dress code is about **safety first**. We can easily identify our students whether on campus, on a field trip, or at an event. Student dress code is about **equal opportunity, pride, and focus**. Our scholars don't have to stress about their clothing choices. They can be proud manatees and turn their attention to what really matters, their academics.

- If students are not in uniform, they will need to make an adjustment and parents will be contacted.
- If a student does not have a proper shirt, we will require the student to wear a Property of Valley West loaner shirt and they will need to return it the next school day.
