

1. Mrs. McMillian will send out a video and survey link for our review re: LEAD
2. State of WBES:
 - a. We are not currently NES or NES-A.
 - b. 720 -> 680 last year, but closed positions resulted in closing 40K
 - c. We were 44 short of our projection.
 - d. 100/grade level last year; 1st grade is lowest
 - e. Considering out options – may have to shuffle grade levels to keep everyone
 - f. Transportation/moving to the suburbs/etc. for those who are withdrawing. The trend is the same district-wide.
 - g. Westside feeder needs to be re-zoned.
 - h. Cap levels changed from max of 25 to a max of 27/28. They will not cap until that level.
 - i. No word on limiting waivers.
 - j. We are spending less money – we no longer have CIS, Literacy Now, and not as many interventionists.
3. ADA = 95.6%
YTD Loss is \$15821 due to absences
The information was presented at the open house in terms of real money/items.
How can we get this in front of parents that need to know?
We need to focus on the “frequent offenders”...follow up with them. Messenges on School Messenger.
Incentives?
Attendance Committee – need members.
Better this year than last.
4. October Events:
