

Wednesday and Thursday Sheet

Week 33

Wednesday:

1) **Individually** solve the Geom Review Set #1 problems in your notebook and turn in your answers to class leader with 10min of class time. No answers will be collected after 10 min of class time. If you are in class, make sure to send me your answer sheet electronically through the HUB. NB indicate “**Geom Set #1 answers**” in your subject area.

2) **Individually** work on your Final exam Part 1,(Geometry concepts) PowerPoint. On Friday I will need to see your updated PowerPoint for a quiz grade. At the end of the class time make sure to send me the names of the geometric concepts you did in class through the HUB make sure on the subject area you write “**Wednesday Final exam Part 1 work**”

Thursday:

1) **Individually** solve the Geom Review Set #2 problems in your notebook and turn in your answers to class leader with 10min of class time. No answers will be collected after 10 min of class time. If you are in class, make sure to send me your answer sheet electronically through the HUB. NB indicate “**Geom Set #2 answers**” in your subject area

2) **Individually** work on your Final exam Part 1,(Geometry concepts) PowerPoint. On Friday I will need to see your updated PowerPoint for a quiz grade. At the end of the class time make sure to send me the names of the geometric concepts you did in class through the HUB make sure on the subject area you write “**Thursday Final exam Part 1 work**”
