Message from the Principal

Virtual Moving Up Night!

As we come to the end of the year, we have some very important activities scheduled for students and parents.

**Thursday, June 2nd is Moving Up Parent Night** for Lower Elementary, Upper Elementary and Middle School. Moving Up Night gives parents the opportunity to meet the teachers at the next level of our Montessori program and hear a brief overview of the new level. **This event is in Teams.** Here are the times and links for each meeting:

- **5:30-6:15 p.m.**  
  - Lower Elementary
- **6:00-6:45 p.m.**  
  - Upper Elementary
- **6:30-7:15 p.m.**  
  - Middle School

We look forward to seeing you there!

REMINDER: NO SCHOOL ON MONDAY, MAY 30th IN OBSERVANCE OF MEMORIAL DAY.

VIRTUE OF THE WEEK

The virtue of the week is RELIABILITY. Learning to be reliable makes a positive difference in kids’ lives. When kids follow through on making promises and see the positive impact of keeping commitments, their confidence and self-esteem grows along with their capacity to become independent.
Dear Parents,

I give you back your child, the same child you confidently entrusted to my care last fall. I give him/her back inches taller, months wiser, more responsible, and more mature than he/she was back then, although this growth would have been attained in spite of me. It has been my pleasure and privilege to watch your child’s personality unfold day by day. I have been thrilled at each new achievement, each new success, every achievement of self. I give them back reluctantly, for having spent ten months together Monday – Friday, I have bandaged their cuts, applied ice packs on bumps and lumps, dispensed medications, given insulin injections, nebulizer treatments, attended IEP and 504 meetings, laughed and cried with them, they have made me a better nurse. Thank you! Here are some end of year reminders:

- **Medications should be picked up by parents during the last week of school.**

- **Any medications not picked up by the last day of the school, will be discarded.**

- **Should your child require medication at school during the school year, the district does require a new prescription form from your child’s physician. Please provide this at the beginning of each school year.**

Should you have any questions, please contact our school nurse, Ana Valerio.
