## SDMC Meeting Agenda

February 11, 2025

5:00-6:00 pm via TEAMS

The Houston Independent School District (HISD) Board of Education established and approved the campus- level planning and decision-making process in 1992. This process includes the creation and maintenance of a Shared Decision-Making Committee (SDMC) at each school to review the district's educational goals, objectives, and major district wide classroom instructional programs. The SDMC must be *involved in decisions related to* areas specified by the Texas Education Code. The code states that the SDMC will be involved in decisions in the areas of *planning, budgeting, curriculum, staffing patterns, staff development, and school organization*.

**Areas SDMC we will discuss as an advisory to the principal... but not limited to....**
