Minutes:

- Call to Order 5:27 p.m.

The meeting was called to attention promptly at 5:27 p.m. by Principal Gregoire, who reviewed the previous meeting TES discussion and decision.

The main points of the meeting and topics of conversation stemmed around the rubrics for the Planning & Professionalism and the Distinguished Teacher.

Questions that were raised was around the application requirements and process. An opinion of one of the committee member was that the process seemed very convoluted. They also questioned the chosen language around misconceptions and expectations during intervention. Additionally the way intervention is being rated or reviewed was ambiguous. Principal Gregoire shared insight on current process within the NES model and campus and how the change would possibly create greater outcomes for both teacher and student.
