Selene Rogers, Principal

Quarter 2 - SDMC Meeting

January 9, 2025

4:30p

Welcome.....S. Rogers, Principal

Celebrations

Principal Rogers shares 3rd-5th Grade DSA data in comparison to elementary schools within our ED Feeder. She explained that teachers recently engaged in a data dig that allowed them to reflect on TEKS that were high and low performing in content areas. She explained that the purpose of the data dig was for teachers to use this information captured to spiral back in to increase student achievement.

Webinar Video

Principal Rogers briefed attendees about the TES video by providing a one pager that included need to know information. Attendees were asked to read over the document for 3 minutes and jot down any questions that they may have. She then explained that she would play a video that should provide more insight into the proposed evaluation system for teachers.

Preview of TES Framework Options

Principal Rogers presented the slide which contained the three framework options. As she presented the options, she discussed the percentages for each framework and how it would be used to provide teachers with compensation. Attendees engaged in open discussions centered around the various options with one another. Principal Rogers asked that attendees scribe their option choice and justifications on a sticky note and share with a partner.

Campus Deliberations

Principal Rogers tallied framework options votes.

Concerns/Comments

Parent, J. Lucas asked when would the community be notified of the final decision on the evaluation framework. Principal Rogers explained that Houston ISD Board would vote on the option during the March Board Meeting.
