Houston, Texas 77051
Selene Rogers, Principal

Quarter 3 - SDMC Meeting February 13, 2025 4:30p

Welcome.....S. Rogers, Principal

Principal Rogers welcomed all attended and asked that each person introduced themselves and share their role as a SDMC member.

Celebrations

Principal Rogers shared the growth and achievement data with members around NWEA Map. She explained that although we showed major growth in specific content areas such as Reading and Science, we are still working to close achievement gaps and continue the growth in all areas of math, reading, and science.

She also shared that recent district observation walk went well, where the teachers scored in Proficient I range, which compared to last district observation walk, we as a campus has shown growth in our instructional practices.

Review Current Enrollment

Principal Rogers shared that campus enrollment has increased since our last SDMC meeting. Current enrollment is at 370 students. She also touched on a need for an increase in PK.

Teacher Evaluation System (TES Talk)

Principal Rogers began this segment with a brief overview of TES to explain to those that may not have been present last SDMC Meeting. She displayed a PP that provided audience with an understanding of the framework that was voted on by stakeholders. She explained that attendees would engage in a video that discussed element of TES and ask that members take notes and/or scribe questions that they may have from the video to engage in a discussion.

After the video, attendees expressed their feelings/ opinions about the evaluation system. Attendees asked a few questions, that Principal Rogers did not have the answer to but did jot them down and explained that she will find out and come back to the group to share. Attendees did ask when the board would be presented with the draft of the framework presented today. Principal Rogers explained that the Houston ISD Board Meeting would be held tonight. Questions: How is this evaluation system different from the one we are currently using? Will salaries be tied to this evaluation system and how? Will we continue to use the steps or will everyone revert to the hospital model for pay?

Pre-Kindergarten Enrollment Brainstorm

During this time Principal Rogers shared the PK Expansion. She shared that Young ES currently has spot available for students ages 3 and 4. She discussed the upcoming PK Festival that will be held at Lawson MS on March 1. She also provided community member, Ms. Patterson with a flyer for the festival to share at her nearby church in which she is a member. During this time Principal Rogers solicited ideas to invite more families to enroll for PK. One idea was to send home enrollment information with students in our campus weekly newsletter which will be added in next week. Principal Rogers explained the research behind students attending PK at an early age as it supports their development and growth.

Adjournment

Meeting adjourned at 5:20p
