WHO WE ARE

A K–12 Houston I.S.D. school meeting the needs of our students in a non-traditional setting by way of our homebound, agency, hospital and pregnancy related services.

WHAT WE DO

We serve and support our students with direct instruction and individualized needs through our services within the Houston Independent School District. We partner with student’s zone campus, neighboring hospitals and residential facilities to ensure students are being served while they are away from their home campus.

CAMPUS PROGRAMS

- Shared Decision Making Committee (SDMC)
- Parent Night
- Principal Pop-Up
- Wraparound Services
- Community Outreach

HOMEBOUND SERVICES

- Homebound services are supported through our Special Education and General Education Programs.
- Community Services homebound program offers instruction by certified teachers to students enrolled in an HISD campus who will be absent for medical reasons for at least four weeks.
- It is offered as part of the district’s service to students in grades K-12 with non-contagious illnesses or other medical reasons as documented by a licensed US physician. Medical reasons may include accidents, surgeries, infections, diseases and illnesses.

HOSPITALS/AGENCIES

- Agencies are residential facilities which provide care for students admitted for non-educational reasons. Community Services teachers provide onsite instruction for students in partnering agencies.
- The placement of these students is initiated by parents or a social/judicial institution.
- There is no referral process for school personnel to enroll students into this program.
