   - SDMC Survey – The survey was emailed to each committee member to be completed in the next few days.
     - Texas Education Code §11.252(d) requires that HISD Shared Decision-Making Committees (SDMCs) be surveyed every two years to evaluate the effectiveness of the district's decision-making and planning policies,
procedures, and activities. The process is designed to ensure that Shared Decision-Making Committees are effectively structured to positively impact student performance.

- The survey requests information on your role on the SDMC, the organization of the committee, involvement of the committee in the school, and results of the SDMC involvement in the school. All responses will be kept anonymous.
- Please complete the SDMC survey as soon as possible using the link emailed to you at today’s meeting.
- The survey will be open until May 17, 2019.

- We are getting a new spelling adoption
- Handwriting is back! We will be using Handwriting Without Tears.
- Chat and Chew on early dismissal days will continue to be on Fridays.
- Theme for next year: Learning Knows No Limits (Space Theme) The graphics have not been developed.
- Teachers may decorate their doors for the beginning of the school year. It is important for students to see their names on the door and to have that welcoming identifier to help them remember their classroom.

PTO NEWS

- Bush PTO members met with West Briar PTO & Dean of Students to discuss ways to engage students and keep them in the feeder pattern. They would like to have an opportunity to possibly have an assembly with the younger Bush students and parents to inform them of some of the things available at West Briar rather than waiting until 5th grade to get the information to them.

- The PTO’s at all the feeder school’s (Bush, Westbriar, Westside) are trying to work together to promote and foster the feel of the normal educational path is Bush to WB to WS.

Start: 3:18 pm  End: 3:53 pm
