- Welcomed new members of SDMC
- Brief discussion of meeting norms and SDMC purpose and functions-see attachment. If anybody would like to add something to the agenda for any meeting, please inform Mr. Crook at least one week in advance.
- Campus safety report was submitted on behalf of Officer Solis along with a fire drill schedule for the semester.
- Dr. Crook presented the 2015-16 campus data along with this year's SIP Goals. Explained that we would revisit this plan during the year.
- The group discussed STAAR and EOC data and agreed we need to have more specific intervention to improve test data.

Walk on topics

Community Involvement: Possibly have a fall festival at the school for the community to come in and go room to room with their kids for candy (have some students stay and help out); start a community newsletter for everyone in our zip code area; possibly have a "Community Coffee", invite the community to come in and speak with the students and tour the school---Date: Late October or close to Thanksgiving.
