## Accountability Rating

## School Information

ANDERSON EL earned a D (60-69) for performance that needs improvement by serving too few students well. Not enough students made adequate academic progress for eventual success in college, a career, or the military.

State accountability ratings are based on three domains:
Student Achievement, School Progress, and Closing the Gaps. The graph below provides summary results for ANDERSON EL. Scores are scaled from 0 to 100 to align with letter grades.

## Distinction Designations

Campuses that earn a rating of A-D are eligible for as many as seven distinction designations, or awards for outstanding performance.

```
XELA/Reading X Mathematics
X Science X Comparative Academic Growth
X Comparative Closing the Gaps X Postsecondary Readiness
```

## Accountability Rating

## School Information

GROSS EL earned a D (60-69) for performance that needs improvement by serving too few students well. Not enough students made adequate academic progress for eventual success in college, a career, or the military.

State accountability ratings are based on three domains:
Student Achievement, School Progress, and Closing the Gaps. The graph below provides summary results for GROSS EL. Scores are scaled from 0 to 100 to align with letter grades.

## Distinction Designations

Campuses that earn a rating of A-D are eligible for as many as seven distinction designations, or awards for outstanding performance.

```
XELA/Reading X Mathematics
X Science X Comparative Academic Growth
X Comparative Closing the Gaps }\boldsymbol{X}\mathrm{ Postsecondary Readiness
