

## English – Roberts- **Essay Assignment #4**

### Part A:

#### **Process** (“How to” Essay) –

informal, first person narration allowed, 450 words minimum, include MLA citations (if necessary).

*Describe a process in detail.* Use your own personal experience and expertise. Choose something interesting for me to read, please. You have the freedom to choose any topic.

Ex: How to Change a Tire, How to Lose Your Friends & Alienate People, How to Make a Peanut Butter & Jelly Sandwich, How to Shoot Free Throws, How to Escape a Bad Date, How to Write an Essay, etc.

### Part B:

**Cause & Effect** - formal research essay, no first-person narration or personal opinion, 850 words minimum, MLA citations including at least five sources—one must be an offline source.

*Describe the causes and effects of a particular scenario.*

Choose your essay topic carefully and thoughtfully: this is potentially the longest paper you’ve ever written and will require research.

You are **REQUIRED** to use and provide MLA citations for at least **FIVE (5)** sources (only four may be online). You will fail the assignment if you plagiarize, do not meet the word count, or provide MLA Works Cited documentation with five sources. Feel free to get creative with your topic; you have the freedom to choose your topic.
