

Middle College High School at HCC Gulfton

NOW ENROLLING FOR 2016-2017

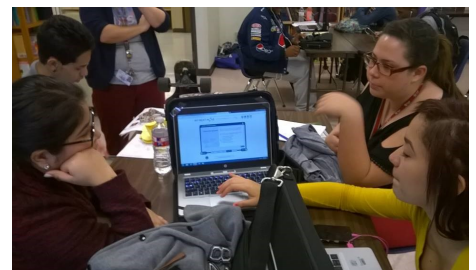

Who would benefit from a Middle College High School?

- Students who feel disconnected by a traditional high school culture.
- Learners with unrealized potential who need a different setting in which to recover credits and accelerate career and college readiness.
- Those for whom a better fit would be a more intimate environment that provides structure, stability, and personalized support, and a mature, college-going culture.

What Middle College High School Gulfton offer for students?
