EXECUTIVE SUMMARY

Welcome to the revised and expanded **Houston Independent School District (HISD) Family and Community Engagement (FACE) 2018 Community Resource Guide**. Its primary intended audiences are administrators and teachers in HISD and the parents, guardians, families, and communities they serve.

Structure and Organization

In its fifth edition, the **2018 Community Resource Guide** now includes 47 topics and 1,160 profiles. The profiles encompass 530 unique organizations. A profile is the total description of an entry. An entry is an organization and its total profile under a given topic. A topic is the total collection of profiles for a specific area of interest. The **Guide** consistently uses 15 headings as prompts for information. A heading is a specific question of interest. Each heading is repeated across all entries and within all topics.

Methods Used

In identifying possible topics and profiles for this new, revised edition of the **Guide**, HISD FACE staff members:

1. Used service providers' websites as the primary information resource.
2. Consulted with peers in other departments for input and insights about service providers.
3. Sent emails with questions to selected organizations for which there were gaps in information.
4. Made phone calls to selected organizations for which there were also gaps in information.
5. Reviewed successive drafts to assess quality, completeness, and ease of use.
6. Included a **Product Evaluation Form** for feedback from schools, families, and other users.

Disclaimer

This revised **Guide** is intended to be a quick reference resource for HISD schools and families. Inclusion in it does not denote endorsement or recommendation. Please send information about new resources, as well as any updates, corrections, and comments to FACE@HoustonISD.org.

Evaluation Form

A two-page Product Evaluation Form appears at the end of the PDF version of the **Guide** and at the end of each of its topic briefs. We would welcome your feedback!
