SDMC Meeting February 24, 2020 Minutes

Meeting called to order at 3:14 pm by Ms. Johnson.

Budget

Ms. Johnson stated that she budgeted for 660 students which is 20 students less than this school year. We are losing a large portion of our AA population. At fall snapshot we were 87% Hispanic/13% AA. Last school year we were 80% Hispanic/20% AA. Recruitment will be done @ Halpin in May to push IB at Tinsley.

IB

All grade levels are currently completing 3 planners. 20 teachers will be trained at a Category 1 PYP training in August. We will be seeking authorization during the 2021-2022 school year.

Wraparound

Yes, school needs are being addressed. Teachers, students, and parents are excited to have the services. Teachers want to make sure SAFs are being checked for identified students.

STAAR assessment schedule was discussed.

Meeting adjourned at 3:34 pm.
