VETERANS DAY

Veterans Day

Friday, November 11th is Veteran's Day. We honor all of those heroes for serving our country! We encourage students to wear red, white, and blue! We will have special activities for our scholars during their ancillary Class!

Mission Statement

Through rigorous academics, data-driven instruction, and character education, Browning Elementary prepares all PK-5th grade global leaders for a life of opportunity.

Word of the week

This week our science word is **Potential energy**. Potential energy is the stored energy in any object depending on its position. Examples of potential energy are: a stretched rubber band, a coiled spring, a quarterback's arm right before he throws the ball. What other examples can you come up with?

International Festival

We are proud to announce our 2nd annual International Festival. On Tuesday, November 22, students will get to show off what they

have learned about their country they've been studying in class. From 8:30am-10:00am, students will have a chance to tour the "world" in the exposition created by each classroom. Then in the afternoon, from 1:30-2:30, we will have a performance outside that represents each one of our continents! Parents are welcome to come! Ask your child today about the country they are representing!

Parent Thanksgiving Luncheon

We will have our Thanksgiving Luncheon on Tuesday, November 15th! Parents are invited to join their child for lunch (\$4 adult plate!) Call the front office for your child's lunch schedule. 713-867-5140
